

CLARICE OTINGA

Nairobi, Kenya | Otingaclarice@gmail.com | 0725675969

I am a student at the University of Nairobi awaiting graduation for the degree of B.Sc. Electrical and Electronics Engineering. I have excellent listening, problem solving, analytical, attention to detail and organizing skills. I am goal oriented with a positive can-do attitude, willing and open to learn, a team player and builder; I can bring together teams for a common objective as well share my perspectives to better the team.

Core technical skills

Software development, telecommunications, computer skills
